

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions, and listings, of claims in the application:

LISTING OF CLAIMS:

Claims 1-3 (canceled).

Claim 4 (currently amended): ~~[[The]]~~ A wiring harness arrangement assembly as described in claim 2 further for arranging a wiring harness received in a corrugated tube from a body to a sliding door of a car,

wherein a harness guide is provided in a side of the body or of the sliding door, and the corrugated tube is held turnably in a circumferential direction of the corrugated tube by the harness guide,

wherein the harness guide has a cradle and a cap which are formed with a pair of the locking projections opposed to each other so that the cradle and the cap hold the corrugated tube,

said wiring harness arrangement assembly comprising a locking member and an annular member disposed between the cradle and the cap, wherein the locking member enters the annular member and engages with ~~[[the]]~~ a groove of the corrugated tube.

Claim 5 (original): The wiring harness arrangement assembly as described in claim 4 wherein the annular member is turnable in a circumferential direction of the annular member between the cradle and the cap.
